## IMPORTANT

Child care services for families in Stage 3 Child Care will be terminated effective December 31, 2010 due to the elimination of funding for the CalWORKS Stage 3 Child Care Program.

There is no basis to an appeal for this action. However, families have the right to be screened to see if they qualify for other child care programs.

Families affected by the elimination of funding for Stage 3 Child Care were sent a termination notice of action with instructions on how to request to be screened for other child care programs. The deadline to request for screening is close of business day on 12/10/10.

## REMINDER

December has traditionally been a short processing month. Please remember to submit correctly completed requests for reimbursement by the 5<sup>th</sup> of the month following the service month to allow for adequate processing time.

The Community Services Agency will be closed from December 27<sup>th</sup> through December 31<sup>st</sup>.
