Policy

 Procedure

 Guideline

Purpose

Employees of public welfare departments are mandated reporters to help protect children, elderly and dependant adults from abuse or neglect as defined by local and state codes.

Definition

The Penal Code (PC 11166) and the Welfare and Institutions Code (W&I Code Section 15630) states that all employees of public welfare departments are mandated reporters of child, elder and dependent adult abuse.

PC 11166 – Child Abuse & Neglect

(a) Except as provided in subdivision (d), and in Section **11166.05**, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report to the agency immediately or as soon as is practicably possible by telephone and the mandated reporter shall prepare and send, fax, or electronically transmit a written follow up report thereof within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any non-privileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. For the purpose of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) Any report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If after reasonable efforts a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone follow up call

by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written follow up report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written follow up report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) Any mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars (\$1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

- (B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.
- (C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.
- (e) Any commercial film and photographic print processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, or slide depicting a child under the age of 16 years engaged in an act of sexual conduct, shall report the instance of suspected child abuse to the law enforcement agency having jurisdiction over the case immediately, or as soon as practicably possible, by telephone and shall prepare and send, fax, or electronically transmit a written report of it with a copy of the film, photograph, videotape, negative, or slide attached within 36 hours of receiving the information concerning the incident. As used in this subdivision, "sexual conduct" means any of the following:
- (1) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.
 - (2) Penetration of the vagina or rectum by any object.
 - (3) Masturbation for the purpose of sexual stimulation of the viewer.
 - (4) Sadoomasochistic abuse for the purpose of sexual stimulation of the viewer.
 - (5) Exhibition of the genitals, pubic, or rectal areas of any person for the purpose of sexual stimulation of the viewer.
- (f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).
- (g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.
- (h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.
- (i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.
- (2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.
- (3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.
- (j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of

cases under Section 300 of the Welfare and Institutions **Code**, and to the district attorney's office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent's substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions **Code** and to the district attorney's office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child's welfare, or as the result of the failure of a person responsible for the child's welfare to adequately protect the minor from abuse when the person responsible for the child's welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

W&I Code 15630

(a) Any person who has assumed full or intermittent responsibility for the care or custody of an elder or dependent adult, whether or not he or she receives compensation, including administrators, supervisors, and any licensed staff of a public or private facility that provides care or services for elder or dependent adults, or any elder or dependent adult care custodian, health practitioner, clergy member, or employee of a county adult protective services agency or a local law enforcement agency, is a mandated reporter.

(b) (1) Any mandated reporter who, in his or her professional capacity, or within the scope of his or her employment, has observed or has knowledge of an incident that reasonably appears to be physical abuse, as defined in Section 15610.63 of the Welfare and **Institutions Code**, abandonment, abduction, isolation, financial abuse, or neglect, or is told by an elder or dependent adult that he or she has experienced behavior, including an act or omission, constituting physical abuse, as defined in Section 15610.63 of the Welfare and **Institutions Code**, abandonment, abduction, isolation, financial abuse, or neglect, or reasonably suspects that abuse, shall report the known or suspected instance of abuse by telephone immediately or as soon as practicably possible, and by written report sent within two working days, as follows:

(A) If the abuse has occurred in a long-term care facility, except a state mental health hospital or a state developmental center, the report shall be made to the local ombudsperson or the local law enforcement agency. The local ombudsperson and the local law enforcement agency shall, as soon as practicable, except in the case of an emergency or pursuant to a report required to be made pursuant to clause (v), in which case these actions shall be taken immediately, do all of the following:

(i) Report to the State Department of Public Health any case of known or suspected abuse occurring in a long-term health care facility, as defined in subdivision (a) of Section 1418 of the Health and Safety **Code**.

(ii) Report to the State Department of Social Services any case of known or suspected abuse occurring in a residential care facility for the elderly, as defined in Section 1569.2 of the Health and Safety **Code**, or in an adult day care facility, as defined in paragraph (2) of subdivision (a) of Section 1502.

(iii) Report to the State Department of Public Health and the California Department of Aging any case of known or suspected abuse occurring in an adult day health care center, as defined in subdivision (b) of Section 1570.7 of the Health and Safety **Code**.

(iv) Report to the Bureau of Medi-Cal Fraud and Elder Abuse any case of known or suspected criminal activity.

(v) Report all cases of known or suspected physical abuse and financial abuse to the local district attorney's office in the county where the abuse occurred.

(B) If the suspected or alleged abuse occurred in a state mental hospital or a state developmental center, the report shall be made to designated investigators of the State Department of Mental Health or the State Department of Developmental Services, or to the local law enforcement agency. Except in an emergency, the local law enforcement agency shall, as soon as practicable, report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse.

(C) If the abuse has occurred any place other than one described in subparagraph (A), the report shall be made to the adult protective services agency or the local law enforcement agency.

(2) (A) A mandated reporter who is a clergy member who acquires knowledge or reasonable suspicion of elder or dependent adult abuse during a penitential communication is not subject to paragraph (1). For purposes of this subdivision, "penitential communication" means a communication that is intended to be in confidence, including, but not limited to, a sacramental confession made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization is authorized or accustomed to hear those communications and under the discipline tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(B) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected elder and dependent adult abuse when he or she is acting in the capacity of a care custodian, health practitioner, or employee of an adult protective services agency.

(C) Notwithstanding any other provision in this section, a clergy member who is not regularly employed on either a full-time or part-time basis in a long-term care facility or does not have care or custody of an elder or dependent adult shall not be responsible for reporting abuse or neglect that is not reasonably observable or discernible to a reasonably prudent person having no specialized training or experience in elder or dependent care.

(3) (A) A mandated reporter who is a physician and surgeon, a registered nurse, or a psychotherapist, as defined in Section 1010 of the Evidence **Code**, shall not be required to report, pursuant to paragraph (1), an incident where all of the following conditions exist:

(i) The mandated reporter has been told by an elder or dependent adult that he or she has experienced behavior constituting physical abuse, as defined in Section 15610.63 of the Welfare and **Institutions Code**, abandonment, abduction, isolation, financial abuse, or neglect.

(ii) The mandated reporter is not aware of any independent evidence that corroborates the statement that the abuse has occurred.

(iii) The elder or dependent adult has been diagnosed with a mental illness or dementia, or is the subject of a court-ordered conservatorship because of a mental illness or dementia.

(iv) In the exercise of clinical judgment, the physician and surgeon, the registered nurse, or the psychotherapist, as defined in Section 1010 of the Evidence **Code**, reasonably believes that the abuse did not occur.

(B) This paragraph shall not be construed to impose upon mandated reporters a duty to investigate a known or suspected incident of abuse and shall not be construed to lessen or restrict any existing duty of mandated reporters.

(4) (A) In a long-term care facility, a mandated reporter shall not be required to report as a suspected incident of abuse, as defined in Section 15610.07, an incident where all of the following conditions exist:

(i) The mandated reporter is aware that there is a proper plan of care.

(ii) The mandated reporter is aware that the plan of care was properly provided or executed.

(iii) A physical, mental, or medical injury occurred as a result of care provided pursuant to clause (i) or (ii).

(iv) The mandated reporter reasonably believes that the injury was not the result of abuse.

(B) This paragraph shall not be construed to require a mandated reporter to seek, nor to preclude a mandated reporter from seeking, information regarding a known or suspected incident of abuse prior to reporting. This paragraph shall apply only to those categories of mandated reporters that the State Department of Public Health determines, upon approval by the Bureau of Medi-Cal Fraud and Elder Abuse and the state long-term care ombudsperson, have access to plans of care and have the training and experience necessary to determine whether the conditions specified in this section have been met.

(c) (1) Any mandated reporter who has knowledge, or reasonably suspects, that types of elder or dependent adult abuse for which reports are not mandated have been inflicted upon an elder or dependent adult, or that his or her emotional well-being is endangered in any other way, may report the known or suspected instance of abuse.

(2) If the suspected or alleged abuse occurred in a long-term care facility other than a state mental health hospital or a state developmental center, the report may be made to the long-term care ombudsperson program. Except in an emergency, the local ombudsperson shall report any case of known or suspected abuse to the State Department of Public Health and any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.

(3) If the suspected or alleged abuse occurred in a state mental health hospital or a state developmental center, the report may be made to the designated investigator of the State Department of Mental Health or the State Department of Developmental Services or to a local law enforcement agency or to the local ombudsperson. Except in an emergency, the local ombudsperson and the local law enforcement agency shall report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.

(4) If the suspected or alleged abuse occurred in a place other than a place described in paragraph (2) or (3), the report may be made to the county adult protective services agency.

(5) If the conduct involves criminal activity not covered in subdivision (b), it may be immediately reported to the appropriate law enforcement agency.

(d) When two or more mandated reporters are present and jointly have knowledge or reasonably suspect that types of abuse of an elder or a dependent adult for which a report is or is not mandated have occurred, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement, and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(e) A telephone report of a known or suspected instance of elder or dependent adult abuse shall include, if known, the name of the person making the report, the name and age of the elder or dependent adult, the present location of the elder or dependent adult, the names and addresses of family members or any other adult responsible for the elder's or dependent adult's care, the nature and extent of the elder's or dependent adult's condition, the date of the incident, and any other information, including information that led that person to suspect elder or dependent adult abuse, as requested by the agency receiving the report.

(f) The reporting duties under this section are individual, and no supervisor or administrator shall impede or inhibit the reporting duties, and no person making the report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting, ensure confidentiality, and apprise supervisors and administrators of reports may be established, provided they are not inconsistent with this chapter.

(g) (1) Whenever this section requires a county adult protective services agency to report to a law enforcement agency, the law enforcement agency shall, immediately upon request, provide a copy of its investigative report concerning the reported matter to that county adult protective services agency.

(2) Whenever this section requires a law enforcement agency to report to a county adult protective services agency, the county adult protective services agency shall, immediately upon request, provide to that law enforcement agency a copy of its investigative report concerning the reported matter.

(3) The requirement to disclose investigative reports pursuant to this subdivision shall not include the disclosure of social services records or case files that are confidential, nor shall this subdivision be construed to allow disclosure of any reports or records if the disclosure would be prohibited by any other provision of state or federal law.

(h) Failure to report, or impeding or inhibiting a report of, physical abuse, as defined in Section 15610.63 of the Welfare and **Institutions Code**, abandonment, abduction, isolation, financial abuse, or neglect of an elder or dependent adult, in violation of this section, is a misdemeanor, punishable by not more than six months in the county jail, by a fine of not more than one thousand dollars (\$1,000), or by both that fine and imprisonment. Any mandated reporter who willfully fails to report, or impedes or inhibits a report of, physical abuse, as defined in Section 15610.63 of the Welfare and **Institutions Code**, abandonment, abduction, isolation, financial abuse, or neglect of an elder or dependent adult, in violation of this section, where that abuse results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars (\$5,000), or by both that fine and imprisonment. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until a law enforcement agency specified in paragraph (1) of subdivision (b) of Section 15630 of the Welfare and **Institutions Code** discovers the offense.

(i) For purposes of this section, "dependent adult" shall have the same meaning as in Section 15610.23.

Procedure

As an employee of Stanislaus County Community Services Agency:

- b. I acknowledge that the reporting responsibility is individual. No supervisor or administrator may impede or inhibit my reporting duties. I understand that I will not incur civil or criminal liability for making a report. However, I understand that failure to report is a misdemeanor, punishable by not more than six months in county jail or by a fine of not more than one thousand dollars (\$1,000) or both. If the unreported abuse results in death or great bodily harm, the fine increases to \$5,000 and the jail time increases to 1 year.

- d. I acknowledge that my reporting responsibilities extend only to that time when I am acting within the scope of my employment.
- e. I can access the Penal Code and Welfare and Institution Code sections at the following link www.leginfo.ca.gov .
