PUBLIC AUTHORITY

- Jeff announced effective October 1st there will be An IHSS Provider wage increase from \$8.84 to \$9.11. It will appear in the October 15th check.
- Jeff reminded everyone the IHSSAC October meeting will be held on Thursday, October 9th because of the Healthy Aging Summit on Friday October 10th. It will be held at Modesto Center Plaza from 8 am- 2 pm. There will be vendors, giveaways, a special fall prevention section, physical therapy section. Flu shots will be available for \$20.
- Jeff passed around 3 drafts for the new Eldercare Directory Ad. Need to know if IHSSAC will continue sponsorship. Connie moved to continue sponsorship, Kenny second. Jeff asked if there were any suggestions or comments to be added. Input for ads needed by September 19th. Discussion continued about new ad.
- Previous Advisory Committee member George Sharpe had an article published in the Modesto Bee. It is in regards to the Budget. It mentioned that the budget could end up costing the state more for care for the elderly and disabled if the proposed IHSS service and Provider wage cuts went into effect.

- Jeff read another article about a Modesto man that was sentenced to 270 days in jail for Welfare fraud. He made false statements on applications. He will be on 5 years probation and will have to pay the money back.
- Connie asked if there is someone that lives in an assistant living home are they eligible for IHSS. Maria Childers responded that it depends on if they are in a licensed facility or independent living. Maria suggested that they call her office so they can be screened.

LEGISLATIVE UPDATE

- Jeff mentioned that there is still nothing new on the budget. We are 74 days into the fiscal year. There were some quotes from the Sacramento Bee. Mentioned that 82% of voters described the budget situation as serious. Also most voters prefer a sales tax increase instead of borrowing the money.

MEDIA PROJECT

- Jeff explained the purpose of the media project. There needs to be a sub committee that decides on a budget, a script for interviews and theme. Mentioned that project must be done and paid for by 5/31/09 for this year's budget.
- Jeff mentioned the sub committee should be 3-4 people. Asked for volunteers. Connie, Robbyn and Kenny volunteered. Robbyn mentioned Mary would probably want to be involved as well, so she was tentatively added to the list. Kenny moved to accept the sub committee, Joan second.

COMMITTEE BUDGET UPDATE

- Jeff discussed the IHSSAC budget. There is about \$53,000 left for the year. Jeff mentioned the projects and events that the IHSSAC has been involved in the past.
- Connie asked if the Adult Services Advisory Committee could be included in our retreat. Jeff mentioned that's something that could be done again.
- Jeff mentioned at the next meeting they would have the budget to review.

GENERAL UPDATE

- Maria Childers announced that there is a new program that will be effective April 2010. CMIPS will be updated to CMIPS2. Payroll will be centralized. Payroll is currently processed locally, it will eventually be processed in Rancho Cordova. Once the information becomes available Maria will update the Committee.
- Jeff mentioned that Robert brought the flu shot schedules in the area. Encouraged everyone to get one.
- Jeff announced that the California Association of Public Authorities is looking for legislative proposals for next year. The budget is expected to be worse next year, so suggestions for legislation, should keep costs in mind or the proposal is unlikely to be approved. If anyone has suggestions about improving the program contact Jeff.
- Connie announced that the book she wrote, "King of The North Pole, is now available at Amazon and Barnes & Noble.

Meeting adjourned @ 1:47 PM,
