

Age-Friendly

Stanislaus County

People over 65 years of age are the fastest growing segment of the population in Stanislaus County.

Stanislaus County's Community Services Agency is the lead agency in a multi-partner effort to improve the systems of care to better support older adults, people with disabilities, caregivers, and their families.

The Age-Friendly Action Plan 2025-2030 will guide efforts to make Stanislaus County a more welcoming and accessible place for residents of all ages, with a particular focus on supporting older adults and those living with a disability.
